North Ashchurch Garden Communities Exhibition

Thank you to all the people who attended this event in Bredon Village Hall. It shows that we all care about where we live, and we want to limit the impact any new developments might have on our parish.

The Parish Council wanted to let you know this exhibition was run by the developers and was not a formal consultation. If you did attend or visited their website, to ask any questions and express your views, your comments will not impact the formal application.

If you did give feedback, please save these comments for the future official planning application. The Parish Council will write to you when the planning application is submitted, it is then that your comments will make a difference.

If you have any questions about the process please write to the clerk (contact details at the bottom of this page)

Playing Field Update

Great News! The contractor for a new fence around the toddler area has been agreed, and we are now finalising dates for the work to take place. This will mean the area will be closed whilst this occurs. We will notify you once we confirm the dates, and hopefully minimise the disruption.

The Outdoor Table Tennis project is also progressing, all the sports clubs have agreed, and we are just finalising a suitable location.

County Councillor Donations

We would like to thank our County Councillor, Adrian Hardman, for his kind donation of £500 each, to both Bredon Community Care and the Outward Bound Association. Both these groups are well used by young and old within the parish, and the support is gratefully received.

Eckington Bridge—Please contact your MP

If you are frustrated about the number of days the Eckington Bridge is closed due to flooding, then we advise that you write to your local MP, Harriet Baldwin. You can contact Harriett at House of Commons, Westminster, London SW1A 0AA or email: harriett.baldwin.mp@parliament.uk Please make sure you provide your full postal address and details so she can respond accordingly.
