

Additional Planning Application for a Further 500 Houses at Mitton. That makes 1000 in total

Despite all previous public objections Barratt's have now applied for yet more houses in addition to the previous two undecided applications for 500 houses and a school. You must act now if you want your voice to be heard as the consultation ends on May 3rd. Don't delay!

Bredon Parish Council continues to oppose this site on several planning grounds including traffic congestion, threats to ecology (endangered curlew), flooding, loss of green space and lack of public services. It is important that as many people as possible respond to the application by visiting Wychavon Planning Portal, or by post or by phone. Any individual can comment and there is no lower age limit.

Please go online and submit your comments. It only takes 5 minutes. If you are not online you can submit by post or even ring Wychavon directly. A list of specific concerns are detailed overleaf which can be used by you to make comments to the application numbered W/25/00596/OUT

This QR code will take you directly to the planning application where you can lodge your response:
